## PRINCIPAL’S MESSAGE.

Congratulations to our new P&C Executive. The new President is Tim Bailey, Vice presidents Matt Reeves and Kim Hair; Secretary Annette Cape and Treasurer Lori Hambridge. It will be really beneficial to the P&C to have all positions filled with such a mixture of experienced and new parents. Many thanks to our outgoing P&C Executive.

Our P&C showed off a vibrant and active school at the Women’s Wellness Exhibition at the Lady Denman last Friday. Thank you, in particular, to Ali Goodwin, for organising the stall, and the helpers. Well done to our students for making displays, bunting, flowers, and for singing at the exhibition.

Choir began for students in Years 3-6 this Wednesday. Our Choir teachers once again are Mrs Deb Grahame and Mrs Kathryn Raymer. Choir students have received a note outlining their responsibilities and choir events. The choir will be performing in the Shoalhaven Music Festival and ‘Bay and Basin has Talent’ during the year. We are really proud of our choir, and how well they perform at all our special events.

Next week you will receive an Interim Report on your child. The Interim Report covers the work habits that your child should be attaining and informs you about the areas that your child is doing well in, and those where you can guide your child towards better effort.

Could parents send back the Medical Form that went home last week? This saves you having to fill out the same medical form every time your child goes on an excursion or gala day or representative occasion.

In this newsletter is an invitation to students to march in the Anzac Day ceremony at Huskisson on 25th April. Students should please wear school uniform. Our students are always so well turned out; they are a credit to parents. It is a good idea to get jumper or jacket orders in before the holidays so that all students are in correct uniform for Term 2. The Uniform Shop is open on Monday afternoons or orders can be passed in at the office. Please make sure that your child’s jumpers and hats are marked with his or her name. Quite often after successive washings names have disappeared, or be hard to decipher. Most young children do not recognise their own clothing!

Have a good week

P & C Secretary

Hi Folks,

Thanks so much to the 2012 P&C team and staff members who stepped in to oversee the AGM last night in my absence.

Sounds like it was a very productive start to an exciting new chapter of Husky P&C and I am thrilled to hear that ALL positions were filled by such experienced and enthusiastic people! I know they will be fantastic ambassadors for our school community, so please don't be shy in getting to know everyone and helping out at P&C events in any way you can.

Thanks so much for all the support and feedback you have given me as president over the past two years. It has certainly been an interesting adventure for a P&C rookie to jump into and I could not have achieved anything without the support and dedication of an amazing team of dedicated volunteers behind the scenes, so thanks guys -- we did it!

Cheers

Fresh basil leaves, finely chopped
