Principal’s Message

Assembly

This Thursday is our second assembly for the term. Again it will focus on the annual swimming carnival held earlier this term. At this assembly we will reward all our B Division winners and placegetters with the certificates they earned on the day. It starts at 2.15pm under the COLA.

Start of Chess Club

Thank you to Mr Johnstone (Ryan’s Dad) who has volunteered to run Chess Club on Wednesday lunchtimes in the Library. Mr Johnstone has had a long and successful involvement with chess in schools, having run many inter-school competition days. This will be great preparation for our social chess day against Nowra Public School next term.

Breakfast Club

Breakfast Club will start again this week on Thursday. We have been searching for a home this year, due to our increase in student numbers taking up the spare classroom. We will run it temporarily out of the canteen, until the craft room renovation and upgrade allows us to use this room.

Leisure Sports

This Friday will be the first of the Leisure Sports activities for the term. Year 2 will be involved in the first week as Junior Gala Day is also on the same day. A fun morning is planned with tennis, bike riding, scooters and bush walking mixed with sketching on offer.

Junior Gala Day

Our Years 3 and 4 travel to Sussex Inlet this Friday to participate in the PSSA Junior Gala Day. It’s a day of Dragon Tag amongst all the competing schools. Have a great day everyone and be proud ambassadors for the school.

School Cross Country

It’s just a week away. Details of the day will be distributed this week. It’s local, so no money is involved or permission notes. The day will start around 9.30am.

South Shoalhaven Legends Day

This was another successful day for the students of Huskisson Public School. Our girls Dragon League side won two games and were beaten in the last 30 seconds in another. All the girls reported they had an enjoyable day. In the boys we were successful in all games. This led to River Fryar being selected for the 11 years South Shoalhaven PSSA District side and Daniel Moore being selected in the Opens team. Well done and a big cheer boys.

Jelly truck

Jelly truck is a fun and silly game with jellylike graphics.

In the game you are a truck, tractor and race car made of JELLY! In a few levels there are crushing jaws which will make you fail the level. The rest... you can figure out yourself when your playing. :)

Last Friday our Rugby League team competed in the Rod Wishart Shield.

The boys played two games during the day and managed to win both games against teams from within the district.

Congratulations to River F who was selected into the South Shoalhaven District 11 years team and Dan M who was selected into the Opens team.

Both boys will travel to Kiama next Monday to trial for the South Illawarra team.

GOOD LUCK!!

**Football**

On Friday 13th March Dion, Tom, Dan, Riva, River, Bailey and Ryan went to football. Two other boys from Tomerong Public School joined our team. Their names were Jack and Cody.

Our first game we played was against Vincentia Green and we won. Our next game we played was Vincentia White and we won again. River, Tom and Dan made it to the possibles and probable team. Then we played again. River and Dan made it into the South Shoalhaven District Football Team. It was so much fun.

by Dion and River

On Friday 13th March at Sanctuary Point Oval, there was a girls’ dragon tag day for 5/6. Husky joined forces with Tomerong. We got to know all of the rules at 9.45 and we started our first game at 10.00. Our first game was against Vincentia Blue. We won 5 points to 3. Each half was seven minutes and we had seven people on a field at a time. Our next game was Vincentia Green 8-2 our way so we won again. Our third game was with Vincentia Gold. It was 3 all but in the last 30 seconds Vincentia scored a try. So all together we won two games out of three.

We had a great day!
