Principal's Message
Welcome back everyone. The term already seems to be fully booked and jammed packed with many interesting and exciting experiences and opportunities.

STAFFING

CANBERRA EXCURSION
Class 5/6 have their major excursion to Canberra during Week 9 of this term. The excursion supports their study of democracy and government throughout this term. It is a very worthwhile educational excursion that will support their understanding of the importance of being an active participant in our society. It will be a significant financial outlay for parents. Class 5/6 will be holding fundraising events throughout the term to help with the cost of the excursion. Your participation and support in their fundraising efforts will be very much appreciated by our 5/6 students.
