ATHLETICS CARNIVAL

Finally the weather smiled upon us and our athletics carnival went ahead yesterday at Sanctuary Point Athletics Oval. After three attempts yesterday’s carnival ran smoothly with pleasing participation by our students and lots of encouragement from our parents. Congratulations to Mr Vidler for his expert organisation and to Mr Choice for volunteering his services once again. It’s great to have the services of such a dedicated and committed retired teacher as Mr Choice, who always places the well-being of our students and their involvement in sport as a high priority. It was a real team effort with staff, students and parents all working together to make it an enjoyable day.

Yesterday we had lots of winners who will represent our school at the South Shoalhaven District Athletics Carnival. Some will be our age champions. However I believe all who participated yesterday and proved to themselves they can do it, are also champions. Thank you to all our parents who helped out on the day, especially the parents who provided food and refreshments throughout the day at the canteen and BBQ. This was a big commitment that was appreciated by staff, students and parents. A full wrap up of the carnival will be presented at our assembly next Thursday starting at 2pm.

They say a picture speaks a thousand words. What about this moment captured on camera by our resident photographer Liesel.

SCHOOL PHOTOS – MONDAY 24TH AUGUST

Many parents have asked which uniform the students will be wearing in this year’s school photos on Monday 24th August. Although not the official until next year, we are encouraging all students to wear the new school uniform. At the moment we have more than two-thirds of our students wearing the new uniform. We have made contingency plans for those students who are still wearing the old uniform.
NO WRAP CHALLENGE

Next Thursday we are issuing a challenge to all students and families. The challenge is for students to bring a recess and a lunch that doesn’t include any packaged food. This may include fruit and vegetables, sandwiches, cold meats, dried fruits and leftover meals such as quiches or rice and pasta dishes, scones etc. The idea is to promote healthy eating as part of our Live Life Well Program and to reduce litter, especially plastics. We are trialling the idea every Thursday until the end of term. We hope ‘No Wrap Thursday’ strikes up conversations amongst our students, staff and community about what is healthy eating and what are the great benefits of healthy eating. We are looking forward to some innovative, healthy responses to the challenge. Come on, take up the challenge!

ASSEMBLY

A whole school assembly will be held next Thursday 13th August starting at 2pm. The assembly will include a wrap up of the athletics carnival, including the winning house and the beginning of ribbon presentations for event winners and placegetters. It will also include Super Star Awards and banking awards to our thrifty savers.

CIRCUS ARTS WORKSHOP

Huskisson Public School organised and hosted a Circus Arts workshop for students in the Bay and Basin Schools. Students from Years 5 & 6 were invited. It included Tomerong P.S, Sussex Inlet P.S, Vincentia P.S, Sanctuary Pt P.S and us. Students were introduced to a range of circus arts skills including juggling, devil sticks, diablos, uni cycles, spinning plates and much more. Mr Ben Frost from Nowra Public ran the workshop. It was such a great success that two more follow-up days are planned for next term.

SLSO INDUCTION PROGRAM

Parents interested in learning the role of a School Learning Support Officer (Formerly known as a Teacher’s Aide) are invited to an Induction Program to be held in the school library on Wednesday 12th August from 10am – 11am. This will be followed by a light morning tea.

Numbers are needed for the purposes of materials to be supplied to participants. Please put you name down at the main office.

GYMNASTICS

The gymnastics program will be held on Monday & Friday for the next two weeks. Our students are enjoying the experience and enjoying the new challenges it presents.

ETHICS

Kindergarten Ethics will not be available till further notice because of the unavailability of the Ethics teacher. Students will do Non-scripture or scripture.

P&C MEETING

Looking forward to seeing you next Monday 10th August at 6pm. Come along and share your ideas and opinions.
