TALKING TACTICS

Talking Tactics is an interactive drug education program for primary aged students and their parents.

Over the past couple of weeks our 5/6 students have participated in two workshops conducted by presenters of the Talking Tactics Team. Last Tuesday night the students had the opportunity to showcase what they had learnt to their parents. Our senior students provided an informative and enjoyable night that involved plays, discussion, a trivia competition and ‘Hot seat’ where a parent participant (in the hot seat!) had to listen to both sides of a dilemma presented by two students before making a decision and explain the reasons for their decision.

KINDERGARTEN PROJECTS

Yesterday afternoon I took time to read research projects by our K Roxy and K/1 Sunny students. What a great effort by the students in both classes. If you want to brush up on some of your facts have a read of the projects on the display boards outside both classrooms.

GYMNASTICS

Many parents have commented on how popular the current gymnastics program is amongst the children. They have also asked how we have managed to fund the program. As we have previously run the Federal Government’s Active After School’s Program we were invited to apply for funding to run their new initiative, the Sporting School’s Program. Mrs Domazar sourced the new local sporting business and put together the application. Gymnastics is providing many of our students with a new and fun sporting experience. The $6 levy for each student helps us provide the bus transport as well. Well done Mrs Domazar.

DISTRICT ATHLETICS

A full report will follow in next week’s Husky Star regarding our athletics team’s performance at the District Carnival. However I can report four of our students were successful in qualifying for the Regional Carnival in Canberra.

Emma Sadler - 1st in Discus
Clay Hancock - 2nd Shot Put
River Fryar - 2nd Shot Put, 2nd High Jump and 100m final
Dan Moore 2nd Discus, 2nd Shot Put

A honourable mention should go to Charmaine Galiljevs for coming 3rd in High Jump

I can also congratulate the students who represented our school for their excellent behaviour and attitude at the carnival.

CHESS ON WEDNESDAYS IN LIBRARY

Mr Mick Khourey (Chimoni’s Dad) has agreed to help me run a Chess Club on Wednesday’s in the library. Students participating in chess on Wednesdays will have the opportunity to learn new skills and tactics as well as be eligible to participate in a chess day at Vincentia P.S next term. We are encouraging both boys and girls to come along. See you there!

REGIONAL CHESS

Three teams from Huskisson P.S competed in the Regional Chess competition at Nowra P.S last Thursday. We entered the rookie division. All three teams had a successful day and learnt many new skills and strategies. I was particularly pleased with the sporting spirit of our teams who shook the hands of their opponent at the conclusion of a game whether they won lost or drew.

HEALTHY EATING CHALLENGE

Today we challenged staff and students to enjoy a healthy lunch that came in no packages and preferably no plastic. I look forward to hearing some delicious stories.

KIDS MATTER SURVEYS

Remember your blue KidsMatters survey. If your child returns it to the office they go in a draw for canteen lunch vouchers.
