Principal’s Message

As the term draws to a close, I’d like to thank everyone in the school community for sharing in the effort of making it another successful term. Staff continue to show they are committed and dedicated to making the school experience for your child a positive and successful one. I wish everyone a very happy spring break. Many students have already excitedly told me of their holidays plans, which for many include travel regionally, interstate and overseas. Just one big rule I insist on. Come back safe, happy and rearing to go in Term Four.

BEFORE & AFTER SCHOOL CARE

The good news for the school and the P&C is that our Before and After School Care has been approved as a provider and granted a licence to run as a child care service. We are also now approved to offer the Centrelink fee rebate. This is all due to a small band of very hardworking P&C members who volunteered their time and effort to achieve this remarkable outcome. This will benefit many working parents and also allow many parents to enter or extend their hours in the workforce.

We have also applied for a government grant of $20000 to renovate and upgrade the old craft room next to the canteen to allow the service to run out of this room. We’d like to tile or carpet the floor. Install a toilet with disabled facilities. Build storage space and fit a kitchen with cooking facilities. The whole room will also be freshened up with a cheery coloured repaint. The grant applications close on the 24th October. We will have our fingers crossed for at least another month.

PREMIER’S SPELLING BEE

As mentioned in last week’s Husky Star Ryan and Chloe from class 3/4 travelled to Bowral Public School for the Premier’s Spelling Bee Regional Final.

We are very proud of both Ryan and Chloe’s effort. Ryan finished 7th out of 40 making it to the seventh round.

Chloe finished 14th out of 40 making it to the third round.

PSSA KNOCKOUTS

The school has entered the following teams in the NSW State PSSA Knockouts. This means we will play other schools in these sports in knockout competitions. The winning school progresses to the next round, the losers are knocked out. We are looking for sponsors of uniforms for these teams. Businesses considered appropriate according to departmental policy can display their business logos on the shirts. If interested see me.

Students and staff return for Term 4
**KINDERMERN 2016**

Yesterday Kindergarten students for 2016 had a ‘Taste of Big School’. They enjoyed singing, fitness, literacy and numeracy games. It was a great morning with the new students making new friends and many of the parents and carers beginning to network. The community spirit of the school became very obvious to all who attended.

**CANBERRA EXCURSION**

Our class 5/6 returned from Canberra Friday afternoon at 5pm after three days of educational experiences and activities. A big thank you to Mrs Domazar and Mr Roche for the fantastic job they did making sure our senior students arrived safely, participated in the educational experience fully, had a wonderful time and returned safely. Mrs Domazar and Mr Roche gave up the families and home for three days to enable this excursion to proceed.

The school would also like to recognise the support of the Australian Government that subsidised the cost of the excursion for each student through the PACER contribution. This amounted to $20 per student. The support of the Australian Government was welcomed by the school.

**SCHOOL SWIMMING SCHEME**

Next term during Weeks 4 and 5 children from Years 2, 3 and 4 will have the opportunity to participate in the school swimming scheme. The scheme is an Intensive swimming program that operates daily over a two week period. This involves ten, 45 minute lessons. The pricing for the swim scheme is very good in comparison to the lessons offered locally as the children are not paying for the actual lessons. The only costs incurred are for transport to and from the venue and pool entry. More details and permission notes will be distributed early Term Four.
